

Moisture crystals absorb around 1 ½ times their weight

Available in slimline or jumbo

Product contents; Moisture trap and 2 x 500g sachets of crystals

\* subject to volume of moisture within the unit

## MOISTURE TRAP

### Benefits and Uses

- Helps to prevent damp and condensation
- Quick and easy to use
- Reasonably priced / Economical
- Helps to prevent mould and fungal growth by maintaining a dry environment\*
- We have used this in over 300 self storage units for 10 years – IT WORKS!
- Ideal for protecting perishable items.
- Ideal for protecting items susceptible to damp.
- Ideal to help in preventing damp and moisture build up.

### Specification and Features

- Controls damp (typically) for up to 6-8 weeks in areas of approx. 30 cubic metres (20ft) for each 500g sachet of crystals
- Once exposed to the open air, the crystals absorb moisture from the air and help combat the formation of condensation and damp in confined spaces.
- Absorbs around 1 ½ times of the crystals weight.

### Supplied As:

- Either packages including the moisture trap and 2 x 500g sachets of crystals or re-fill sachets only
- Supplied by post or with containers
